VOL. XXXII, NO. 2

WETASKIWIN, ALBERTA, THURSDAY, MARCH 31, 1932

V. C. French, Publisher

Wetaskiwin Property Was Sold by Tender

A regular meeting of the City Council was held Tuesday evening with all members present. Minutes as submitted were adopted.

A permit to remove the old Scandinavian Hall building was granted on condition the taxes are paid up to date.

A resolution from the City of Prince Rupert asking the endorsement by this Council for the placing of a relative value on silver and gold to balance the ratio in exchange was received and filed.

Mrs. C. Kolb was present and asked Council to grant a sewer on her property on Dickson Ave. West. She also complained of the bad condition of their water supply. The Council assured her that this would receive their serious consideration.

On a letter being read from H. G. Morris, Vancouver, asking Council if they would be willing to grant a franchise for the supply of natural gas, the City Clerk was instructed to write and ask him to submit their proposition.

The matter of Mrs. Osborne's application for an old age pension was left over until the next meeting.

The following cash tenders were opened for the purchase of the building known as the Farmers' Cafe on Railway Street East: T. B. Jevne, \$30; J. F. Isley, \$51; Wm. A. Schantz, \$25; H. J. Schmitz, \$25; Leonard Schantz, \$31; Vera Starkey, \$40. The offer of J. F. Isley was accepted on condition that all rubbish is cleaned up and the lot left presentable.

A tender was opened from T. B. Jevne for the work building, but Council considered the amount too small.

Mrs. A. Rodell and Mrs. Hogan interviewed Council regarding securing a rebate of taxes on the Women's Institute building. Request will be considered.

Connected with the City Council was a letter from Messrs. Templeman Bros. that others were buying in on their business who were not paying any business tax, the Clerk was instructed to write and ask the names and point out the difficulty of assessors parties who have no place in the City.

Constable McIlhenny was instructed to collect the milk dealer's license from A. Kaler Jr.

Ald. French gave a report of the delegation's visit to the Highway Commissioner of the Provincial Public Works Department in Edmonton and stated that they had taken up the matter of the maintenance of the main highway with Commissioner Davidson, and had approached him regarding the drainage and installing of a curb and gutter on the gravelled highway along Pearce Street. The Minister had informed them that he was prepared to recommend the putting in on this gutter and curb along the highway on a fifty-fifty basis, the Government paying one-half the cost. The delegation had also taken up the question of stop and traffic signs for the highway and the Commissioner had promised to supply at least three signs, two of which were for the railway crossing on Pearce Street. The Government did not favor stop signs at the street intersections. He suggested that Montgomery M.D. should be asked to assist in the maintenance of the North road and that arrangements should be made for the care of this road between the City and the Municipal District.

A delegation consisting of the Mayor and Ald. Torson was asked to attend the next meeting of the M.D. of Montgomery to take up the matter of maintenance of the North and East highways.

A petition received for a tar sand sidewalk submitted by L. W. Mellett on behalf of the property owners in block 15 was received and will be fully considered when striking the public estimates.

Accounts to the amount of \$152.43 were passed for payment.

A license fee of \$10 charged to the Sports Association for a boxing bout was remitted.

The Lands, Cemetery and Parks Committee were empowered to engage a caretaker for the Park and also for the Cemetery at a cost not to exceed the salaries paid for this work last year.

Ald. Scott suggested that the chemical engine at the Fire Hall be put into working order, as it was most effective for small fires.

Mayor Somers referred to the licenses of stock dealers, and Constable McIlhenny was instructed to collect all licenses as soon as possible.

Ald. Torson, Chairman of Public Works, was authorized to purchase the necessary lumber for culverts up to the amount of 10,000 feet.

Bylaws authorizing the borrowing of money for the construction of a concrete sidewalk and for the construction of concrete sidewalks and curbs as local improvements were given first reading.

Discussion took place as to the sale of these debentures and also as to what steps could be taken for the sale of the Hospital debentures. It was left to the City Treasurer to write to Insurance Companies and others.

The City Treasurer informed Council that he had retired a 20-year debenture of the Electric Light and had also made the last payments on two others of the City's debentures this month.

Meeting adjourned.

WOMEN'S MISSIONARY CONVENTION

One of the most enthusiastic conventions in its history was held by the Lacombe Presbyterian of the Women's Missionary Society of the United Church of Canada at the First United Church, Wetaskiwin, on Tuesday, March 29th. Over 50 delegates, aside from the local auxiliary, were in attendance. Mrs. Lacombe, Ponoka, and Hobbema sent in large delegations. Mrs. Duffman, president of the local auxiliary, presented the address of welcome. Afternoon and evening sessions were crowded with interest beyond the usual routine of such gatherings. The Women raised \$1255 in 1931 for the work of Missions, being but a small sum less than in 1930. Hobbema Mission Band presented, very well indeed, a pageant of the world wide need of the Gospel. This band captured the hearts of the delegates of 97. A round table question box excited interest.

As chief speaker, the convention was highly favored with the presence of Mrs. (Dr.) Margaret McKellar, who was until recently in charge of Women's Memorial Hospital in India. In a dramatic manner, and with intense conviction this veteran of 40 years in medical missions brought home to her audience the great work that yet needs to be done in the compassionate spirit of the Healer-Jesus Christ our Saviour. Her words were so convincing and so convincing that many of the delegates were moved to tears. The appeal for spiritual interest was marked throughout all her addresses. Once having heard Dr. McKellar one cannot wonder that she is in demand by the men of service clubs for her story and her testimony.

The W.M.S. of Wetaskiwin entertained the delegates to a lovely banquet supper. The church choir, with Mrs. French as soloist in the afternoon meeting, provided appropriate musical numbers.

Rev. Mr. Layton of Lacombe, installed the following incoming officers:

President, Mrs. Rainforth, Clive.
Corresponding Secretary, Mrs. R. B. Layton, Lacombe.

Conference Branch Delegate, Mrs. Duffman.

The next place of meeting is Lacombe.

BATTLE LAKE HEN

LAID BIG EGG

Believe it or not, but when the Barred Rock hen of Mrs. Kenneth Battle, Battle Lake, Alberta, got in for egg production they go in for it in a big way. The wear and tear on the hen may be high, but the eggs themselves would make a hen oetich extend herself to equal them.

Here's an example. Gathering eggs from her brood-lake strain last week, Mrs. Hunter found one fine shaped, hard-shelled egg, yellow in color, and measuring eight and one-half inches round the long way and six and one-half inches in circumference. On breaking the egg open it was found to contain three yolks and white enough for three ordinary eggs.

In fact the contents of the one egg nicely filled a large sized frying pan.

Town Topics

Rev. and Mrs. Appell, David and Ruth were in Edmonton on Tuesday.

Mr. and Mrs. Wilson of Winnipeg, spent the week-end with their daughter, Lieut. Wilson.

The Hospital Aid Society will meet at the home of Mrs. T. H. Johnson on Tuesday, April 5th, at 3 p.m.

The Scandinavian Hospital Aid will meet at the home of Mrs. Ed. Johnson on Tuesday, April 5th, at 3 p.m.

Peace Hill Chapter I.O.O.F. will meet at the home of Mrs. T. H. Johnson on Tuesday, April 5th, at 8 o'clock.

Mrs. Elmer Campbell of Edmonton, is visiting at the home of her daughter, Mrs. Elton Morner, and with other old time friends.

Misses Elinor and Margaret Finch are spending the Easter holidays with their grandparents, Mr. and Mrs. James Hall at Ponoka.

Mrs. (Dr.) P. Mellings and daughter Doris, of Mountain Park, are visiting with the former's parents, Mr. and Mrs. C. E. Conlon, for a few days.

Mrs. Stella Kinnon, Japanese lady of Edmonton, was sentenced at the Provincial goal on a charge of vagrancy.

His Honor Judge Lees, Dr. T. B. Stevenson, Dr. H. G. Moore and R. W. Manley were in Camrose on Friday, attending the funeral of the late Dr. F. A. Nordbye.

The Wetaskiwin Business Girls Club held a successful dance in the P.K.'s hall on Monday evening. Music was furnished by Les Connors and orchestra, and a large crowd was in attendance.

Charles Spencer, son of Mr. and Mrs. T. Spencer of Wetaskiwin, was elected to the position of Vice-President of the Provincial Institute of Technology and Art at the spring term elections in Calgary on Wednesday.

Geo. F. Root held a very successful horse sale in Leduc, March 23rd. C. W. Carroll, auctioneer, was at his best. A large crowd was in attendance and the bidding was brisk. A pair of yearling colts sold for \$155. The balance of the offering averaged \$105.

Mrs. J. Rodman entertained the members of the Royal Purple at bridge following their regular lodge meeting in the Elbow hall on Tuesday evening last. Honors went to Mrs. S. H. Farman, Mrs. A. E. Abousaff and Mrs. W. H. Hogan. The supper tables were tastefully decorated in yellow and white and novel place cards of yellow Easter eggs added to their attractiveness. The hostesses were assisted in serving by Mr. Rodman and his wife.

SET DWELLING HOUSE ON FIRE

By a majority judgment of the court of appeal at Calgary handed down Thursday, conviction of Mrs. W. E. Wood, of Metakow, near Probst, by Mr. Justice Boyle, on a charge of arson was upheld.

Mrs. Wood was the owner of a farm and dwelling house. Last September a fire broke out and destroyed the house. Insurance was carried in her favor of \$500 on the house, \$500 on the house in favor of a mortgage, and \$1,000 in her favor on household effects. Proofs of loss as submitted by the insured indicated household effects approx. \$500 in value. The property was a total loss.

The accused stated on the witness stand that when she went into the house she found it "just full of coal oil," although she did not keep kerosene in the house. She declared that she thought she saw the form of a man in the house.

Mr. Justice Mitchell ruled as follows:

"Her whole conduct with respect to this alleged incident, her previous conduct, her conduct on the day in actively taking definite steps to definitely ascertain if any one were present in the house, or in raising an alarm, the apparently sudden and overwhelming nature of the fire, which could only have been started after her arrival. The evidence contradicted by other witnesses, all point to a presumption of guilt."—Calgary Herald.

VOTES RECOUNTED IN M.D. BLINDMAN ELECTION

A recount of the votes cast at the recent election for Councillor held in Division 4 of the Municipal District of Blindman, was conducted before His Honor Judge Lees at the Court House, Wetaskiwin, on Wednesday. At the hearing, held in February last, there were three candidates for Councillor in this Division, and by the Returning Officer's count, two of them—Messrs. Hann and Twiss, were tied and Twiss was declared elected by the casting vote of the Returning Officer. The Returning Officer had rejected eight ballots, but all of these were counted by Judge Lees. The result of the recount was as follows:

William Hann	24 votes
Alexander McKenzie	23 votes
George S. Twiss	21 votes

Mr. Hann was accordingly declared elected by His Honor Judge Lees. C. H. Russell appeared for the candidates Hann and McKenzie.

Obituary

MRS. MARY E. LEAVENWORTH
Another of the pioneer settlers of the Wetaskiwin District passed away on Thursday last, in the person of Mrs. Mary Elizabeth Leavenworth, at the age of eighty-four years. She had been in poor health for some time, and the cause of her demise was apoplexy.

The late Mrs. Leavenworth had resided in the Falun district for the past twenty-six years, and leaves a number of grandchildren and great grandchildren, as well as a large circle of friends and acquaintances in Falun and Wetaskiwin districts, to whom her loss is a great bereavement. Funeral services were conducted at the late residence on Tuesday morning by Rev. P. Waltraute. The remains were shipped to Nebraska on Tuesday, accompanied by a daughter of the deceased, who arrived from Nebraska a few days ago, and interment will be made in the family plot there.

DELAY ACTION MORE RELIEF FOR JOBLESS

Edmonton, March 28.—The provincial government will make no announcement regarding its policy on unemployment relief until after the inter-provincial and federal conference called by the prime minister has been held. This announcement was made in the legislative Saturday afternoon by Premier Broderick in reply to questions of Geo. H. Webster, Liberal, Calgary.

Fred White, Labor, Calgary, urged that some small allowance be made to workers who owned their homes, and who were up against it in order that they might meet their taxes.

Others joining in the debate were W. H. Bailey, U.P.A., Hector Lang, Liberal, Medicine Hat; H. J. Montgomery, Liberal, Wetaskiwin; L. A. Groulx, Liberal, Groulx; and S. A. Carson, U.P.A., Sturgeon.

The premier finally pointed out that the whole question would have to be debated when the unemployment relief bill came up.

The matter came up when the vote for \$12,825,000 for unemployment relief was under consideration.

RAP INTEREST RATE ON BINDER TWINE LOANS

Edmonton, March 26.—Another battle royal was staged in the legislature Thursday night when Liberal and Labor members joined hands in attacking the 8 per cent interest charge of the banks in respect of binder twine loans which had been guaranteed by the provincial government.

The matter came before the house when the bill to amend the Temporary Seed Grain Advances Act was under discussion by the committee of the whole. The premier announced that it had been thought possible to include an amendment to cut the guarantee in respect of binder twine advances.

After considerable discussion the bill was passed.

RUSSIAN PEASANTS NEED RELIEF

Official reports from Moscow confirm that no fewer than 40,000,000 Russian peasants, affected by the failure of the harvest in various parts of Russia last fall, will require food relief. The combination of the shortage and the necessity of supplying these peasants with grain has radically interfered with the Soviet Government's spring sowing program. According to official reports not more than half of the grain required for sowing is ready.

Town Topics

Miss Vivian Richards of Edmonton, is spending the Easter vacation at her home here.

Mr. and Mrs. Geo. D. Wallace spent the week-end in Edmonton with their daughter, Mrs. Jahn.

F. T. Kirshen and Elton Merner shipped two carloads of hogs to New Brunswick during the past week.

Mrs. James Vickers returned home on Tuesday from Calgary, where she spent several days with relatives and friends.

Mr. and Mrs. A. Arntsen and Little spent Easter in Calgary, visiting with Mrs. Arntsen's sister, Mrs. Davidson, and other friends.

Mrs. T. B. Stevenson returned home on Monday evening after spending the Easter vacation with her sister, Mrs. Austin, in Calgary.

Mr. and Mrs. J. A. Mittle of Calgary, and Mr. and Mrs. W. A. MacFarlane of Edmonton, spent Easter here with Mr. and Mrs. Fred MacFarlane.

Mrs. Gilbert Svensen is spending some time in Revelstoke with her daughter. Her health for some time has not been good, and her many Wetaskiwin friends are hoping she will have a quick recovery.

The third annual Old Timers' Roundup which was held in the Victoria hall on Monday was a splendid success in every respect. A very large crowd was present, and music was furnished by the Edmonton Old Time Orchestra, Jevne's Orchestra, and D. Fontaine's Orchestra.

A number of boys met the committee on Monday last, and received instruction respecting the building of bird houses, which are being sponsored by the Kiwanis Club. Any boy desiring to enter the contest, for which prizes are given, should communicate with Kiwanian R. W. Manley at once.

A few days ago we received the first copy of the Hanna Herald published since the fire, and we compliment Brer McCrea for his energy and vision in again publishing the Herald after his misfortune. Mr. McCrea is one of our outstanding weekly newspaper men in Alberta, and we wish him continued success.

Mrs. L. D. Hanna entertained at tea on Easter Sunday for her two daughters, and a number of friends of the University of Alberta, Edmonton. Those who assisted in serving were Miss Maynard and Mrs. Frank Childy. Among the guests were, Misses P. McWhinnie, M. Johnson, P. Maynard, F. Walker, J. K. McKinnon and Frances Boylan of Edmonton, Mrs. Arnold Ellis, Misses R. Bye, M. Lundell, N. Chiddy, H. Switzer, G. Recknagle, M. Keeley, V. Richards, L. Wiberg, K. Colley, McNeil and Kimberly.

LIBRARY NOTES

Have you read Jeffery Farnold's splendid book "Over the Hills"? If not you are missing something good. It describes in narrative form how a founding—Adam Thursday by name, becomes the pawn in a disaster revenge. Forced against his will to masquerade as a high born nobleman, he finds himself carried by a current of intrigue into a whirlpool of mystery and danger.

Falling in love with a lady of noble birth, and finding himself in the struggle. The tragic mystery which surrounds his birth is uncovered with surprising results.

Other books by the same author are "The High Adventure," "The Definite Object," and "The Money Moon."

In "Right Laid" Jordan Mills presents a novel with a new and fascinating background; the characters of the story are all Chinese.

A charming story of a quiet corner of New England is "Lavender and Old Lace" by Myrtle Reed. The story centers round the coming of love to the young people on the staff of a newspaper, and it is one of the prettiest and sweetest of old fashioned love stories.

The membership is steadily increasing, the number now being 845.

Lieut.-Gov. of Kiwanis District Visits Local Club

REV. P. C. WADE'S DEPARTURE

On Tuesday evening, the congregation of Immanuel Church held a farewell party in the Parish Hall, in honor of Rev. P. C. Wade, who left on Wednesday morning for Lethbridge. About eighty people were present, and a most enjoyable evening was spent in playing auction bridge. A delicious supper was served, after which H. R. French took the chair and conducted a humorous program, after which he called on R. W. Manley, K.C., who referred to the splendid work Rev. Wade had done in Wetaskiwin, and presented him with a purse as a token of appreciation. Mr. Manley stated that during the four years Rev. Wade had been here, the rectory had been built, and the young people in the parish had been organized. The interior of the church had been renovated, and recently Mr. Wade had been instrumental in having a vested choir of the boys and girls of the parish. He had done excellent work in connection with the Scout and Guides movement, which were organizations not of the church but of the community. Mr. Wade also referred to Rev. Wade's excellent work as chairman of the Community Welfare League.

During their sojourn here, Rev. and Mrs. Wade have made a host of friends, who deeply regret their departure from the city, but wish them every success in their new field of activity.

On Wednesday evening a reception was held in the town hall, Ponoka, under the auspices of the congregation of St. Mary's Church, on the occasion of the Rev. P. C. Wade leaving the parish, and on being appointed Rector of St. Augustin's Church, Lethbridge.

A musical program was arranged under the conductors of Mr. F. J. Stanley, assisted by Messrs. McWilliams, Chandler, Finch and Mrs. Butterfield. Readings were given by Mr. Wade and other members rendered. Old melodies still hath their charm.

Mr. Bird, Vicar's Warden, presented a handsome purse to the Vicar, and expressed the regrets of the church members on his retirement, praising and thanking him for his faithful and conscientious manner in which he had carried out his Christian duties. Mr. Wade thanked one and all for the token of good feeling shown towards him. He reviewed the past few years as vicar; the growth of the church; the members and building most excellent, and the great spiritual unity existing in the church, and he prayed that God's blessing would still be with them and in this good work.

Refreshments were served by the ladies. The choir, worn by their good feeling with "Should Auld Acquaintance Be Forgot" brought a most enjoyable evening to a close.

—Ponoka Herald.

OLD TIMERS' REUNION AT LACOMBE

The fortieth anniversary of the settlement of Lacombe and district will be observed by special services in St. Andrew's United Church on April 3rd. Two early settlers, charter members of this United Church, will tell the story of early days at 11 a.m. Rev. F. W. Locke, pioneer missionary before the railroad was built, will speak at 7:30 p.m. There will be appropriate music. On Monday evening, April 4th, an Old-Timers Reunion will be held at a supper in the church hall. Stories will be told of the hardships of the early trails, homesteading, ranching and railroad building. A musical program will be given, and a social hour will enable old friends to meet again.

PONOKA FARMER FINED FOR SELLING LIQUOR TO INDIANS

Edward Hinkley, a farmer of the Ponoka district, appeared before Police Magistrate R. M. Angus at Hobbema on Saturday on a charge of unlawfully selling, bartering or supplying intoxicating liquor to Treaty Indians. After evidence had been taken, accused was found guilty and fined \$300 and costs of the prosecution, or three months in jail. The case was prosecuted by Constable Crouch, A.P.E., and Col. Palmer of Hobbema, and J. O'Brien, barrister of Ponoka acted for the defendant.

The Kiwanis Club on Tuesday evening had the honor of a visit from the Lieutenant-Governor of Kiwanis for Alberta, D. H. Elton, K. C. of Lethbridge. Mr. Elton, a good speaker and delivered an inspiration at address that was much enjoyed by his hearers. It was full of apt quotations from both prose and poetry.

After referring to the special message that Easter has for us, the speaker stated that our troubles are spiritual rather than temporal. He pleaded for a larger support for things that are worth while, for example, education and the Church. Many of the remedies suggested for our present conditions are like attempting to pull ourselves up by our own bootstraps. We are very apt to accuse the times and at the same time excuse ourselves. Some of the abiding things of life are friendship, fellowship, service, work, the treatment of oneself in the work of service clubs, the Church and underprivileged children. The father of success in work, the mother is ambition, some of the children are common sense, honesty, character, economy, and the baby of the family is opportunity. "It is a time for action not for dictation," he said. "Present conditions remind me of the story of the old black hen and the red rooster. The red rooster kept complaining that there were tough and worms were scarce. The old black hen just set in and scratched. There are lots of worms, but you have got to get in and scratch for them." For the individual this is the time to "carry on."

In closing, he referred to the opportunity which Kiwanis gives. It opens up for its members avenues lying dormant with unlimited opportunities for good.

Among the visitors was Rev. P. C. Wade, who was to leave on Wednesday for Lethbridge. Reference was made by President V. C. French to his great work among the boys of Wetaskiwin. Mrs. Condie on the violin, Mrs. Atkinson on the xylophone, Mrs. McMurdo at the piano, and Stewart Campbell with solo, contributed numbers to the musical part of the program, and had to respond to enthusiastic encores.

APPEAL COURT FINDS NO LAW FOR NEEDY AID

Calgary, March 28.—Hospital aid to indigent residents of municipalities has once again been under discussion, the matter coming before the Alberta Court of Appeal in the case of the Edmonton Hospital board, plaintiff appellant, and the Municipal District of Liberty, defendant respondent.

Appeal was dismissed and a cross-appeal allowed. The court was composed of Mr. Justice Mitchell, Mr. Justice Lunnay and Mr. Justice McGillivray, each of whom wrote separate judgments, concurring in the result.

The appeal is by the plaintiff from that portion of the judgment of His Honor Judge Crawford, in which was allowed any part of the plaintiff's claim, covering hospital services of a patient, Freda Nyberg, Mrs. Justice Mitchell's judgment states:

The claim arose out of accounts incurred for hospital services given by the plaintiff at the Royal Alexandra Hospital, Edmonton, to August Rinas and Freda Nyberg, alleged residents of the defendant municipal district. With respect to Rinas, judgment was given in favor of the plaintiff for the full amount claimed.

The portion of the Nyberg account allowed was for services for 30 days, between her date of admission and the date of operation on the patient, no allowance being made for the expense of the operation or convalescence.

Appellant argued that no claim was made that any contract existed between the parties respecting those services, the hospital board admitting that any claim must be based on statutory authority. The municipal district cross-appealed against that part of the judgment which holds it liable for the Rinas, and Nyberg accounts, and denies it costs of the action.

The trial judge held that both patients were indigent on admission to the hospital and residents of the district. "In these respects I think judgment should be supported," says Mr. Justice Mitchell.

Alberta Legislative Assembly

(Interesting news letter from
our Correspondent in the Press
Gallery, Parliament Buildings.)

Edmonton, March 28.—This has been the busiest week of the legislature. A tremendous amount of work has been done. At the time of writing most of the estimates have been disposed of, and a number of important resolutions were dealt with. The house has had night sessions all the week. On account of there being no sitting on Good Friday, the members even sat Wednesday night and again on Saturday morning.

Estimates occupied most of the time and these provided a field work for the Liberal benches. They fully lived up to their expressed determination at the beginning of the session, to scrutinize every expenditure of the government. Right and left they hurled criticism at the government and many times the debate grew bitter and acrimonious.

Incidentally, the Liberal leader, George H. Webster, has earned for himself a new sobriquet. Among galleries he is being referred to as the "wily old serpent." And this, as one onlooker observed, because just as the government is striding along briskly through the dry grass of the estimates, up pokes the head of the "wily old serpent" and they get stung.

Mr. Webster delivered a slashing attack on the government in connection with its policy on the Lethbridge Northern project. He declared that it was high time the administration put the project on a paying basis. He received support from W. H. Shilds, U.F.A., who declared that the sooner the province got out from under the better.

Mr. Webster charged that the government had failed to act thoroughly on a report they received in 1925. Then, he said, the debt should have been written down to such a point that settlers would have been able to make the undertaking a self-sustaining one. He claimed they were fooling themselves if they thought they were going to get anything out of the \$9,000,000 outstanding. As a matter of fact, said he, the province stood to lose some \$6,000,000.

Hon. V. W. Smith while admitting that the province stood to make a heavy loss over the Lethbridge Northern, said that \$235,000 was estimated in revenue from the project. He agreed, however, this was dependent largely upon crop results this year.

W. R. Howson, Liberal, Edmonton, and L. A. Giroux, Grouard, led a strong attack on the publicity department of the government. Mr. Giroux charged that the government was using the publicity commissioner for political purposes.

A move to have the number of inspectors employed in the bureau of labor reduced was made by H. J. Montgomery, Liberal, Wetaskiwin, but it was defeated. Some of these inspectors he declared, made one or two trips to various parts of the province in a year. He thought that one trip would be enough and that considerable money might thus be saved.

Fred White, Labor, Calgary, said these inspectors were engaged in protecting human life. They should not be cut down. Premier Brownlee agreed with Mr. White.

A political battle royal was waged between L. A. Giroux, Liberal, and

Hon. George Howland, minister of health. Mr. Giroux sought to bring to the attention of the house an individual case in the Ponoka mental hospital. He was met by a decision that the committee of the whole had decided it could not deal with individual cases.

Notwithstanding this, Mr. Giroux got in a long statement and threatened he would find some other means to expose the situation.

Ultimately, at the suggestion of the Premier, Mr. Giroux agreed to bring the whole case to the attention of the ministers concerned.

During the week construction and operation of government-owned commercial plants for the extraction and development of both Fort McMurray tar sands and salt deposits was strongly urged by Frank R. Falconer, Liberal, Athabasca.

The provincial farm loan board came in for critical treatment at the hands of Hector Lang, Liberal, Medicine Hat, and his remarks met with considerable applause at the hands of the Government back benches.

He declared that the board operated only in certain parts of the province and often did not trouble to make an inspection when a loan was requested.

Premier Brownlee replied that the government had done all in its power to prevent discrimination. He explained that the provincial government had no control over the board. It was a separate corporate body.

TAXES

(Tune: "Turkey in the Straw")

Oh, we sing a song of taxes, 'tis a jolly little theme!
And we'd like to shake the fellow's hand who first thought out this scheme,
Just to separate the public in a simple painless way,
So when governments get in the hole, the people have to pay.

Tax on all improvements; tax on vacant land;

Tax upon your business; tax on taxi stands;

But to make dead sure that they don't miss some,

There will be an extra surtax oozed out of your income.

There's a tax upon your auto, and a tax upon your gun,
There's a tax on all amusements, if you want to have some fun;
There's a tax upon your radio, a tax upon your boat,
But this dual tax in Alberta is one that gets your goat.

Tax upon your howevers; tax upon your cat;

Tax if you're skinny; taxes if you're fat;

But to make dead sure that they don't miss some,

There will be an extra surtax oozed out of your income.

There's a tax for keeping chickens, there's a tax when you get wed,
If you want to cross the border there's a tax upon your head;
There's a fuel-oil and gas tax, there's a tax on oil for hair,
And we thought it fun when someone put tacks on teacher's chair.

Tax upon your imports, tax upon your sales,

Tax upon your exports, tax upon your mails;

But to make dead sure that they don't miss some,

There will be an extra surtax oozed out of your income.

If you write a cheque for more than five, the excise tax applies;
And the poll tax gets the spinsters and the men who haven't wives;
There's a tax to fly an airplane, there's a tax to drive a car,
There's a tax to write insurance, and a tax each day to mar.

Municipal, Provincial, Dominion taxes, too,

Overlap and intertwine the Gentile and the Jew;

But to make dead sure that they don't miss some,

There will be an extra surtax oozed out of your income.

If you want to take a snifter, some troubles to forget,
They tax you two big iron men to issue a permit;
There's a tax upon the slot-machine, the horse race, mutual,
A tax upon the auto bus, the restaurant and hotel.

Tax upon the cold drink, tax upon the keg,

Taxes on your return, there's a tax to pull your leg;

But to make dead sure that they don't miss some,

There will be an extra surtax oozed out of your income.

—W.E.T.

controlled by Ottawa, although a provincial board operated in Alberta. Mr. Webster stated that it appeared that the farmers were neither getting loans nor had the province any say in the matter. He failed to see why the public should contribute \$25,000 towards its operation.

When appropriation totalling \$98,830 for operating schools at Olds, Vermilion were under discussion W. R. Howson urged the utilization of one of the agriculture schools closed in the interest of economy, as a provincial home for delinquent boys.

The whole discussion, which was one of the most lengthy of the week was brought about by Mr. Giroux moving that the whole vote be struck out.

The debate waxed back and forth across the house. The Liberals declaring that the decline in pupils showed that at least one of these schools should be closed. On the other hand, the Premier, Hon. Mr. Howland, and a number of U.F.A. speakers, spoke strongly in favor of their retention. Mr. Giroux's motion was overwhelmingly defeated.

Later Mr. Howson moved that an item of \$24,500 for board at the schools be reduced to \$7,500. This was also voted down.

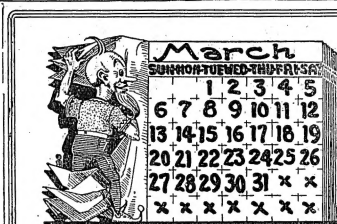

W. R. Howson came to grips with Hon. Mr. Howland when the estimate of the vital statistics branch were being dealt with. Mr. Howson wanted to know why the death rate in Alberta had increased, whereas in other provinces it had declined.

Appointment of C. A. Lyndon of the department of agriculture as district agriculturist for Calgary may be made by the government. This information was brought out when Mr. Webster moved that an item of \$3,000 for a research worker be struck out. J. J. Bowlen supported his leader in stating in these hard times it was not right to create new jobs.

Hugh J. Montgomery, Liberal, Wetaskiwin, urged the need of preserving fishing rights in Pigeon Lake for residents within a 10 mile radius of the lake. He said that last season the department had set a limit of 175,000 pounds of fish to be taken from the lake. Through fishermen coming down from other lakes no less than 220,000 pounds had been taken out of the lake in five days.

Hon. R. G. Reid replied that the whole question of giving further protection for Alberta fishermen was being reviewed.

Another long debate occurred when the appropriation of \$75,000 for

eraged \$50 each. The number of licenses issued each year should be materially reduced, and the overhauling of nets during the night should be prohibited.

Hon. R. G. Reid, minister of lands and mines, in replying, stated that the problem was one to which consideration was being given. The same question had arisen in regard to other lakes principally by reason of the fact that, due to the economic situation many were fishing who usually did not follow this livelihood.

He felt that there should be some protection for the fishermen and the whole question was under review—Bulletin.

A golf professional, hired by a big department store to give golf lessons, was approached by two women. "Do you desire to learn how to play golf, madam?" he asked one of them.

"Oh, no," was the reply. "It's my friend who wants to learn. I learned yesterday."

21 YEARS GAS SUPPLY WASTED IN TURNER VALLEY

Stating that it was unnecessary to drill any more wells to supply the market, Stanley J. Davies, consulting geologist, in giving evidence before the legislative committee inquiring into the whole question of gas conservation in the Turner Valley stated on Thursday that a 21 years supply of gas for the whole province had been wasted in the Valley.

Continuing, Mr. Davies pointed out that drops in pressure were indicated all over the field and he quoted figures in support of this taken from various wells.

The average cost of the 27 wells in the Valley that had reached limestone was \$175,000, while up to the end of 1931, it was estimated that there had been spent in the development of the field a total of \$25,000,000.

You would not be ashamed of your stationery if it had been printed at the Times office.

That Terrible Pain in the Back Was Soon Gone

Mrs. H. Oickle, Caledonia, N.S., writes:—"For several months I was bothered with my kidneys and thought I would never obtain relief."

I received one of your Almanacs containing testimonials from women who had obtained relief from Doan's Kidney Pills, so I purchased a box and they did me so much good I got two more, and after using them found that terrible backache was soon gone."

Weekly Garden Letter

First Vegetables

In some parts of Canada, the first planting of vegetables will be spring in shortly. There is a real advantage in getting certain things started as early as possible, but a real danger with others which do not thrive until the weather really warms up. As a rule, those vegetables which are grown for their leaves, such as lettuce and spinach, are the first planted. With them, we also include radish and onion sets. Sharp frosts will not hurt these, and all of them prefer cool conditions for growth. Of course it is not advisable with these, or any vegetables, to plant all of the seed at one time, because if this is done, naturally all will be ready at one time and there will be a feast followed by a famine. With the first planting, garden pots should also go in. Only in recent years, we are beginning to realize that it is from earliest peas that we get our biggest crops. About ten days following the first sowing, we should replant another section of the garden, with the early things, and also the first of the later season vegetables like carrots, beets and such things. In the third group, we have beans, potatoes, corn and other which are not planted until danger is almost over from frost.

Planting Shrubbery and Other Nursery Stock

Neglect on the part of the purchaser in the handling of rose bushes, fruit trees, perennial flowers, and other nursery stock after it is received, is undoubtedly the cause of most of the failures, according to H. B. Tukey, Horticulturist at the Geneva Experiment Station. All nursery stocks should be unpacked immediately after arrival, and handled in such a way as to prevent any drying out. If the ground is ready to receive them, get planted as soon as possible, but if otherwise, open the box to prevent any overheating, spread out in a shallow trench in some sheltered spot and cover the roots well with moist earth. If, because of delay in transit, the stock is shrivelled, it may be restored to freshness by soaking roots, stems and all, for several hours in water previous to planting, or "heeling in" the shallow trench. The plants may be left in the trench for weeks until the ground is ready to receive them. In actual planting, Mr. Tukey warns against exposure of the roots to the air, as sun or wind in a few minutes may do very considerable injury. Allow plenty of room for the roots, which should be spread out well, and cover firmly with fine soil. To insure no air pockets about the roots during this planting operation it is a good thing to pour half a pail or so of water around the rose bush, fruit tree, or other thing that is being planted.

Nasty Pimples Filled With Matter All Over Face

For the past 52 years MANUFACTURED ONLY BY THE T. MILBURN CO., Limited Toronto, Ont.

When those nasty, mattery pimples come on the face their presence is a source of embarrassment to those afflicted. Why then rest under this cloud when there is an effective remedy for these facial defects. Mr. N. Sisk, 383 Chalmers Ave., Winnipeg, Man., writes: "I was covered with nasty pimples filled with matter. I went to a doctor and he told me his son had had his pimples cleared up by using Burdock Blood Bitters and advised me to use it. I got a bottle and all the pimples vanished so, now, I certainly have great skin in B.B.B."

GRAIN COMMISSION AT RED DEER

The Board of Grain Commissioners held a sitting in the city hall on Tuesday afternoon to decide a dispute between D. Pyke, Red Deer, and H. M. Trimble, Lacombe, over a grain deal between them.

On January 4, 1932, Max Trimble, acting as his father's agent, purchased from Mr. Pyke and A. Doty about 1000 bushels of wheat on a price basis of 34 cents a bushel for No. 5, on car at Red Deer. The wheat at the time of purchase was in a granary at Pyke's farm, which was being operated by Mr. Doty on a share basis, and Mr. Doty and Mr. Pyke had an equal interest in the wheat. The wheat was to be loaded by the vendor on a car at Red Deer, which was done, and the car was billed out by them on Mr. Trimble's instructions. \$250 was advanced to Mr. Pyke when the car was billed, being in Mr. Trimble's estimation, approximately 75 per cent of the value of the grain. The car was to be weighed and graded en route, and government weights and grade were to govern the transaction.

The car was delivered to the Vancouver Milling & Elevator Co. at Vancouver, and when Mr. Trimble received his adjustment from this company on the car, there were a number of items deducted. The grade given to the car was No. 6 C.C. This meant that it was compulsory for the wheat to be cleaned, and this was done at a charge of 2 cents per bushel. The statement of the turn-out showed about 11 per cent of the car to be wild oats, some 130 bushels and 20 per cent, in fact, and the wheat to amount to 857 bushels and 40 pounds. The wild oats and screenings were sold for \$7 per ton and \$1.50 per ton respectively, both of these prices being above the market prices at the time. Mr. Trimble communicated with Mr. Pyke at once on receiving the statement, pointing out to him that the lower grade on the car and the very heavy dockage would reduce the amount coming to him very considerably, in fact would use up any balance he might have.

The statement given by Mr. Trimble to Mr. Pyke showed various charges among them being \$2 for weighing and inspection, \$15.79 freight on dockage, and \$19.49 separating charge at 2 cents a bushel. Mr. Pyke was credited with the proceeds of the sale of the wild oats and the screenings as well as the sale price of the wheat. Mr. Pyke considered that these deductions from the amount due to him should not have been made. Mr. Trimble informed him that these were the regular practices in such cases, but suggested that if he was taken up with Mr. Blatchford, assistant grain commissioner at Calgary. On Mr. Blatchford's advice, Mr. Pyke did not press the claim for the \$19.49 separating charge, in view of the fact that he had been credited with the proceeds of the sale of the wild oats, but he protested against the other deductions, and that protest was the subject of the inquiry by the Board.

His contention was that subject to the government weight and grade, he was entitled to the full amount of the purchase price of the grain as he considered the ownership of the grain as passing to Mr. Trimble when the car was billed out at Red Deer on Mr. Trimble's instructions. The view of J. T. Shaw, K.C., solicitor for Trimble was that the ownership did not pass completely until the turn-out of the car had been determined so that the dockage which Mr. Trimble did not wish to have was really Mr. Pyke's property, and the freight thereon was a charge that should equitably be borne by him. Mr. Trimble pointed out that the contract did not correspond with any of those listed in the Grain Act. He had made his contract read "at point of shipment," instead of "in store at," and had made other changes which he stated only covered the regular practices in the district and which Mr. Shaw argued were nothing but the "obvious" changes mentioned in the Grain Act. Mr. Shaw maintained that the contract called for "about 1000 bushels of wheat," and that the amount supplied, 857 bushels and 40 pounds, could not be called "about 1000 bushels."

At the conclusion of Mr. Shaw's argument, the Chief Commissioner announced that the decision would be given by the Board after the evidence had been transcribed. He stated that the main purpose of the Board in holding this sitting had been to get an idea of the local practice in handling grain. Most of their cases rested on some misunderstanding, and they hoped to make things more uniform by ascertaining the procedure at different points.—Red Deer Advocate.

TIRE LIFE LENGTHENED BY NEW CANADIAN RUBBER PROCESS

With changed driving conditions and the many advances in automotive engineering having a decided effect upon tire construction, a new development is announced by Getta Percha and Rubber, Limited, and is now being introduced throughout Canada. After a three-year test program carried out under every form of driving condition.

Known as the Gum Cushioning feature, the new development consists of building in, between the layers of coarse fabric of which all tires are built of broad pads of pure gum rubber. These pads of rubber absorb the friction between the layers of the tire. They eliminate road shocks and stone bruises so that the cords are not damaged, the life of the tire being unusually lengthened by this protection.

An exclusive Canadian development and the many advances in automotive engineering having a decided effect upon tire construction, a new development is announced by Getta Percha and Rubber, Limited, and is now being introduced throughout Canada. After a three-year test program carried out under every form of driving condition.

While elaborate road tests were being given gum cushioning over a three year period, a new and tough hard-wearing material was also being tested in tire tread. Known as Resin tread, it is now introduced simultaneously with gum cushioning, the tread designs being very carefully and scientifically determined so as to give the maximum grip on the road both for acceleration and braking requirements. Added value to tire purchasers is now assured by these two new features.

SAVINGS CERTIFICATES POLICY BEING STUDIED

Edmonton, March 28.—The provincial government has under study its policy in connection with savings certificates, any abandonment of which would be made with great reluctance, stated Premier Brownlee in the house on Saturday.

D. M. Dugan, Conservative leader, brought the matter up when he asked if it was the government's intention to gradually withdraw from the business of issuing savings certificates. He alluded to the situation in Manitoba where the government had decided to give up the business.

In reply, Premier Brownlee said the government had considered the situation last fall, not because it was apprehensive of its own position, but because of what was happening in other places. He said there had been some negotiations with the banks, and in fact an arrangement had been reached which still could be used, that the banks would step in and take over these certificates. Therefore, there was no danger at any time to the depositors.

A real egg, which, when seen, causes the beholder to exclaim, "some egg" was brought to our office Saturday, by R. H. Cuthbertson, with a story that the over-sized egg was laid by one of his flock of single-combed Rhode Island Reds. Its weight is eggactly a quarter of a pound, the two way measurement being 3 1/2 inches and 6 1/2 inches, as revealed by the tape measure.—Olds Gazette.

W.C.T.U.

A. L. Baker, editor of the "Sign of the Times," has just completed a trip across Canada, visiting the principal cities with the object of learning at first hand the result of what has been called in the U.S.A. as here "Government Control."

Briefly, here are some of the outstanding facts from his report. With the exception of a period of a few months, 1918, 1919, of war-time restrictions, neither Canada nor any province in the Dominion, has ever had a Prohibition law in the sense in which it is spoken of in the United States. Canada's anti-liquor laws have never had any power over the manufacture, importation, or inter-provincial shipment of liquor. Government control systems is the direct result of this condition of affairs.

There is no system known as Government control throughout Canada, but there are eight provincial systems with one common feature, namely, provincial government monopoly of liquor sales only.

The making of liquor in Canada is not a government affair, but is in the hands of private brewers, distillers and wineries. Liquor taxation by both Dominion and Provinces nets the Canadian Government approximately \$50,000,000 annually.

The direct liquor cost annually in Canada approximates \$190,000,000. An indirect cost of many millions is indicated in the steady increase in crime, drunkenness, traffic accidents due to liquor, deaths from alcoholism and other causes.

The prosperity of the liquor business is evidenced by the fact that in 1928 there were 4 distilleries in Canada and 57 wineries in Canada. Now there are 27 distilleries and 86 breweries. In 1920 breweries and distilleries were capitalized at \$49,000,000; now \$12,000,000. Stocks in these concerns have increased as much as 200 per cent in value since the repeal of prohibition laws in 1927.

Bladder Weakness Makes Life Misery!

Daily Annoyance, Troublesome Nights Wrecking Lives of Thousands States Writer Who Tells What To Do For Quick Relief

Backaches, Headaches, Pains in feet and legs, Nervousness, Restlessness, frequent bad dreams, Irritation, nervousness and pain, getting-up nights—are some of the more trouble some signs that should have prompt attention before they reach a more serious stage!

No matter how stubborn your case may seem to be or how many medicines you have tried without results, don't think your condition is hopeless or the natural consequence of advancing years until you have tried the amazing value of Dr. Southworth's "ULTRABLADDER."

Neighborhood NEWS

NAVARRE

Mr. and Mrs. C. C. Nelson were completely and delightfully surprised on Friday evening, when about thirty friends gathered at their home for a party. The jolly evening passed all too rapidly in games and music. At midnight the lady guests took possession of the kitchen and served a dainty lunch and ice cream. Mr. E. Lundell, on behalf of the gathering, presented Mr. and Mrs. Nelson with a set of silver knives and forks. His kind and humorous remarks were fittingly replied to by each of the recipients, after which the guests departed, wishing them every success and much happiness.

Miss Alta Jackson of Edmonton, was a guest at the home of her sister, Mrs. Ivy Rix, during the Easter holidays.

Friends are sorry to learn that Miss Frieda Poltske is ill in an Edmonton hospital.

Torsen Lundell, who is teaching near Didsbury, spent part of the Easter holidays at the home of his uncle, E. Lundell.

Miss Beth Ochs of Edmonton, spent the Easter holidays with her parents, Mr. and Mrs. Henry Ochs.

Both of our schools closed for the Easter holidays last Thursday. Bears Hill reopened on Wednesday and Buleya expects to do so next Monday.

Ed. Walters is doing some interior decorating at the Buleya school this week.

Friends in the district will be interested to learn that Mr. and Mrs. Ed. Ricketts have moved to Bron Accord, and Mr. and Mrs. Oral Nelson and son Donald, have moved to Clover Bar.

Ira and Wilfred Shantz of Battle River, are spending their Easter holidays with Mr. and Mrs. Vernon Rix. Dr. and Mrs. A. Malmas and family of Camrose, spent Friday with Mr. and Mrs. Malmas Sr. Eunice and Harold remained in the district for a few days visiting relatives and friends.

Mrs. Lidgett and son, Albert, of Brightview, are visiting a few days at the home of Mr. and Mrs. Percy Hoyle.

Emma and Olive Shantz of Cherry Grove, are spending the Easter holidays at the home of their grandfather, Mr. G. Thorsen.

Ed. Krause had the misfortune to have a set of harness stolen from his barn a few days ago.

Miss Rosella Revis, who is attending high school in Wetaskiwin, is spending the Easter holidays at her home in this district.

NEW NORWAY

The young people of Zion Church held a short program and basket social last Wednesday. On account of the bad roads there was not a large crowd. The sum of \$25 was raised for the piano fund.

Mrs. W. Osborn, who has spent the winter in Ontario, returned home a week ago, and is making preparations to hold a sale of her household effects shortly.

Mr. and Mrs. Leonard Trautman and family have moved to Camrose to make their home. Mr. Trautman has charge of the British American Oil station there.

Miss Ethel Krough, who has spent the winter at the O. D. Campbell home, returned to her home in Winfield last week.

E. Beller drove into Wetaskiwin on Thursday and brought his wife and new son Allen James, home from the Wetaskiwin hospital.

The Wm. Meyers sale on Thursday was the first one this season for this neighborhood, and drew a large crowd. Bidding was brisk.

Mrs. Frank Thorn and daughter of Wetaskiwin, spent last week at the Wm. Meyers home.

Mrs. E. Pearson is visiting her sisters Mrs. J. Jacobson and Mrs. A. Meyers this week at Calgary.

Miss Walker of Red Willow, is visiting at the H. Harris home. Several from this neighborhood attended Dr. Nordbye's funeral at Camrose last Friday.

Miss Wanda Curry and Marcell Alexson, high school students at Camrose, are spending their holidays with their parents.

Miss Effie Goozee of Stettler, and Miss Harriet Goozee of Camrose, are spending the Easter holidays with their parents, Mr. and Mrs. J. Goozee.

Mrs. Percy L. Smith of Stettler, is visiting her parents, Mr. and Mrs. Frank Bartolf.

Master Evert Lindholm had the misfortune to run a pitch fork into his foot last Thursday, which is giving him a lot of trouble.

Miss Logren, Hoover teacher, is spending her vacation at Hay Lakes. Miss Joyce Wilson, Poplar Bluff teacher, is visiting her parents at Edmonton.

Miss Dorothy Widen has been ill and unable to attend school the past week.

Mrs. Chas. Lindholm entertained a few neighbors in honor of her father, Mr. Olman's, 55th birthday one day last week.

Mrs. Basil Wright entertained the Zion Ladies' Aid last week. Mrs. J. Borchert is hostess for April 21st.

Little Phyllis Beller, who has spent the past month with her aunt, Mrs. E. Pearson, while her mother was at the Wetaskiwin hospital, returned home last Friday.

Mr. and Mrs. Joe Wenpe are moving onto the Fred Pittburner farm north-east of Dufur, this week.

Mrs. Henry Dufur and small daughter returned home last week from the Ferintosh nursing home.

BITTERN LAKE

Mrs. Dewey Greenlee and daughters are visiting with the former's parents, Mr. and Mrs. H. C. McNary.

A jolly evening was spent at the home of Mrs. D. Gouchee on Monday, when friends and neighbors were entertained at dancing, and everyone reported a good time.

We are glad to report that Wm. Altvater of Wetaskiwin, who has been seriously ill, is feeling better.

Mrs. Edwin Johnson has been on the sick list for a while, but is feeling better again.

Margaret Sorenson of Wetaskiwin, spent Saturday at Treleaven's.

Ray McNary, who has been up north of Edmonton all winter, arrived home Sunday evening.

Mr. and Mrs. George Boggs of Daysland, motored up on Sunday to spend Easter Sunday with the Daleys. Little Hazel Boggs remained for a few days to visit with her aunt and uncle, Mr. and Mrs. Chas. Daley.

C. Smith, Sr., is spending this week at Wm. Altvater's and A. L. Peterson's.

Miss Ruth Lomas is home for the Easter holidays.

Miss M. L. Smith left Saturday to spend the Easter holidays at her home at Dewberry.

WINFIELD

Mr. Thrasher was in town Friday to meet his daughters, Miss Beale, who is teaching in Wetaskiwin, and Miss Nellie, who is a Grade XII student in Strathcona High.

School closed Thursday for the Easter holidays, much to the delight of the pupils, who have finished their Easter examinations.

Miss Lenore Husband, who is teaching near Botha, is spending the holidays with her parents here.

Miss Ethel Linton went to Buck Lake to spend the week-end with her parents there.

W. Harrison of Botha, was in town for the holidays, leaving Sunday evening. John Thrasher, Jr., accompan-

ied him as far as Wetaskiwin, where he will entrain for Edmonton.

Raynor Nordlund and Lief Bloehm came down from Antares to spend Easter with friends here.

John Arvidsson is back from Wolf River, where he spent the winter.

Mrs. Clarke has been suffering from an attack of influenza. She is now recovering nicely.

Mrs. and Mrs. Ellingson and family spent Easter Sunday guests of Mrs. Ellingson's parents, Mr. and Mrs. Ginther.

GWYNNE

The Gwynne Sunshine Club met at W. E. Harris' last Friday with a good attendance. Arrangements were made to hold a card party at R. H. Inglis on April 6th for the benefit of the club. The next meeting is to be held at Alex. Edlund's on April 29.

S. H. Lien spent the Easter holidays at F. Freeman's and visiting friends around Gwynne. A party was given for him on Saturday night in the hall, where a pleasant evening was spent in dancing. He returned to Benalto on Monday.

Alma Newman went to New Norway on Monday, where she expects to spend a few days visiting her aunt, Mrs. Arnold Trussler.

Miss E. Meyer is spending the holidays at her home in Wetaskiwin.

The special Easter service held here by the Swedish Baptist Y.P. on Sunday afternoon was enjoyed by a large crowd.

Miss C. Cabush left Sunday evening to spend a few days at her home in Edmonton.

Miss M. E. Howes is spending the holidays at her home near Millet.

Mrs. Clarence Freeman is spending the holidays at F. Freeman's.

TOWNLAKE

Teams working the first of the week, having logs for the U.F.A. hall, had difficulty in getting to the mill, owing to the poor condition of the roads.

Mrs. Endjah returned Sunday last from a motor trip to Saskatchewan, stopping at Stettler on the way. She reports all the roads as poor.

BATTLE LAKE

A. C. Bunney held a very successful sale on March 28th. In spite of the cold stormy weather quite a lot of people were there and bidding was good. Mr. and Mrs. Bunney will be leaving soon to take up their residence in Wetaskiwin. Their many friends here will be sorry to see them go, but all join in wishing them every success and happiness in their new home.

Wyman Fullerton had the misfortune to break his leg last week while hauling logs. He was rushed to the hospital at Wetaskiwin and is now progressing favorably.

Glen Carmichael is spending part of his Easter vacation at his home near Stony Plain.

Mrs. Novell of Wetaskiwin, has been spending a week with her mother Mrs. A. C. Bunney.

W. B. Fullerton was home for Easter.

Mrs. Freeman had an Easter party at the school on Thursday for the pupils and their mothers. Lunch was served and a pleasant afternoon was enjoyed by all present.

Miss Moyer, accompanied by Miss Janice Bunney of Wenham Valley, left to spend the holidays at Miss Moyer's home at Ledue.

Jean and Phyllis Fullerton were week-end visitors at Stony Plain, guests of Miss Marie Carmichael.

Mrs. Albert Nadeau and children, who have spent the past few months at the Freeman-Nadeau camp, returned home last week.

The Cree Valley school is being thoroughly cleaned and kalsomined during the Easter holidays.

We have all learned of the goose that laid the golden egg, but she had nothing on a Barred Rock hen owned by Mrs. K. Hunter, which laid an egg last week measuring 5 1/2 by 6 1/2 and upon being opened was found to contain three full sized yolks. Next!

KNOB HILL

Carl Anderson and family have moved to their cabin at Pigeon Lake, where they plan to reside till the end of the summer.

Alfred Stone has returned from Breton, where he has been working the past month.

Miss Mariel De Witt is visiting with relatives and friends at Buck Lake.

Mrs. Elliott of Wetaskiwin, is visiting with her sister, Mrs. P. F. Collison and her brother A. J. Penley.

Mr. Emanson of Highland Park, conducted a Good Friday service in the S&S Community hall on Friday night.

The Seattle Literary Club met at the hall on Saturday night. Among the items on the program was an interesting debate on the subject, "Resolved that horses are more economical to farm with than tractors." W. McLaughlin and E. Dove supported

the affirmative, and J. Davies and J. W. Bunney the negative. The affirmative side won.

The Easter services held in the hall on Sunday afternoon were well attended in spite of the bad roads. A special program was arranged by the young people, with Mr. Emanson as the chief speaker. Musical selections were provided by the Knob Hill singing school, directed by Mrs. Eliason and Miss Eliason and a duet by Miss Tompkins and Mr. R. Tompkins. The hall was prettily decorated for the occasion.

We are sorry to hear that Mrs. C. A. Chinell has been under the weather for the last few days, and hopes that she will soon be feeling herself again.

A number of young people from Wenham Valley and Knob Hill attended the dance at Drader's mill on Saturday night, and report a good time. The program at supper time being especially good.

WINFIELD U.F.A.

In spite of the poor roads, the men working on the U.F.A. hall last week managed to get enough logs to saw 10,000 feet of lumber. This will be enough for a fair start on the hall. Those working this week were: Sydney Hedburg, George Shrieley, Eugene Francis and Lionel Shamp with teams, with Anders Johanson, John Olson, Anton Johnson, Archie Donald, H. E. Francis and Lester Francis in the woods or at the mill. A team of Mr. Drader's was also on the job.

Owing to a new ruling of the Provincial Government, no stumpage is being charged for halls built for community purposes.

The U.F.A. dance Saturday night was a great success. A four piece orchestra furnished the music and a noisy and happy crowd did not stop to stop when it came time for "Home, Sweet Home." Mr. Dowie of Knob Hill, won the gentleman's prize ticket, Iola Sabin, the ladies, while Eric Handbury won the consolation.

The regular business meeting of the U.F.A. will be held next Saturday night at Drader's mill. Several matters of importance will be discussed. A social will follow the meeting.

LONE RIDGE U.F.A.
WINS DEBATE AT HILLSIDE

On Wednesday, the 23rd inst., our debating team, with quite a number of supporters, visited Hillside in the return debate with that Local. The subject for debate was "Resolved that it would be in the best interests of the people of Alberta that the U.F.A. as an organization should withdraw from politics. Lone Ridge upheld the affirmative. A very spirited debate took place which was apparently much enjoyed by the audience. Our team were successful in obtaining the unanimous decision of the judges, thus putting Lone Ridge in the lead in the Debating League with a certain participation in the final debate between the leaders. It is not yet certain who will furnish the opposition. In this debate, Hillside were represented by Messrs. J. O. Harvey, C. W. Dowdell and H. Young, while the Lone Ridge team was B. S. Wallis, T. S. Steedman and H. J. Line. The debate was judged by C. D. Emman and Rev. A. R. Schrag of Wetaskiwin and Rev. H. G. Smith of Millet.

Lunch was served following the debate. Musical items were rendered by Mrs. Marr, Mrs. Harvey and Miss Heslop. The evening was brought to a close by dancing, which was much enjoyed.

Members are reminded of the next meeting of the Lone Ridge Local. It will be held in the Lone Ridge hall on Tuesday, April 12th, at 8 p.m.

Special items for this meeting, Mr. H. G. Young of Hillside will be present to put before the meeting, the details of the proposed Government ownership of land, such land to be leased for actual use only. Arguments to the contrary will be presented by one of our local members. The Wheat Pool referendum will also be discussed and suitable action taken.

Mr. W. H. Odell, president, and Major Baker, secretary, of the Wetaskiwin Board of Trade will also address the meeting in reference to the sponsoring of the Swiss Club by the Board of Trade.

These subjects are all interesting ones both to U.F.A. members and others, and it is hoped a large crowd will be in attendance to hear the discussion. Everybody welcome. Ladies please bring lunch.

LONE RIDGE JUNIOR U.F.A.

A meeting of the Junior U.F.A. will be held in the Lone Ridge hall on Wednesday, April 6th, at 8 p.m. A speaker from the Field Crops branch will be present to organize a club. All parents who can be present are urged to do so, and a full attendance of members is requested.

When you need printing in a hurry, When it simply must come through, When the job is highly particular— Let The Times do it for you!

INDIVIDUAL TRAFFIC LIGHTS FOR MOTORISTS OF FUTURE

The motorist of the future will carry his own "stop" and "go" traffic lights on the dashboard of his car and will send forth from his horn melodic sounds to warn the pedestrian rather than shock him into fright, according to Orestor H. Caldwell, formerly a member of the Federal radio commission. Speaking before the American Institute in New York recently, he predicted that the new traffic control will be accomplished through the application of the radio or electronic tube.

It is possible according to Mr. Caldwell, to remove motor horn honks and squeaks from city streets replacing their clamor with musical chords and melodies. No particular strain on the imagination is necessary to picture traffic congestion at busy corners enlivened by symphonies of tones which impatient motorists sound their horns to clear the way of slow moving vehicles.

The automobile driver with his own red and green lights will be relieved of the strain of peering ahead for overhead traffic signals. He will simply have the responsibility of watching his own dashboard and act accordingly. This new use of radio or electronic tubes in traffic control, said Mr. Caldwell, will be accomplished by high frequency inductor cables laid alongside street curbs.

As long as this cable is energized from traffic headquarters a detector tube on the car will keep a green lamp lighted on the dashboard. When cross traffic is to pass, the cable could be switched off; all car relays would immediately change from green to red for "stop." Meanwhile inductor cables on cross streets would be switched on and cars in those streets would receive the green signal to go.

Motor horns, built on the loud speaker principle would give this musical and symphonious effects. Such horns, operated through radio or electronic tube control, would have a wide range of tone.

DEBATING LEAGUE

On Saturday evening, March 26th Gwynne and Verdun met at Bittern Lake hall, the former getting the decision by a vote of 2 to 1. Those taking part were:

Gwynne—J. G. Baker, J. B. Hayfield, F. Freeman.
Verdun—H. Benthin, M. Sears, P. Johnson.

Judges—E. Hoover, R. Hoover and W. Gillespie.

The Haultain-Coal Lake debate at Coal Lake, March 30th, will be the last of the series, and the outcome is eagerly expected.

Hubby found some holes in his stockings.

"You haven't mended these?" he said to his wife.

"Did you buy that coat you promised me?" she asked.

"No-no."

"Well, if you don't give a wrap, I don't give a darn."

FORT WILLIAM DEFEAT

CALGARY IN HOCKEY SERIES

Winnipeg, March 28.—Fort William won the Western Canada amateur hockey championship and the right to contest the Allan cup finals with the Eastern title holders, when they turned back the challenge of the Calgary Bruins in the second game of the series here Saturday night. The score was 2-0, giving the Forts the round 5 to 0.

UNDERTAKERS NOT

OVERCHARGING

The funeral directors of Alberta have practically been given a clean bill of health, following a most exhaustive investigation of funeral costs by the provincial government, which has been going on for the past two years. The high lights of Hon. Alex. Ross report addressed to the Lieutenant Governor of Alberta are: "I cannot find that the funeral directors of this province have made an organized effort to regulate prices." "The public were invited and given the opportunity of submitting complaints at public sittings held in Edmonton, Calgary, Lethbridge, Drumheller, Medicine Hat and Stettler, but there were no complaints." "Cost of funerals in Alberta are lower than the United States." "Cost of funerals are lower in towns than in cities." The report concludes: "I was impressed by the excellence of the service rendered by the funeral directors and at the very evident desire on their part to do everything possible to give patrons the fullest satisfaction."

HOW TO PLAY BRIDGE

1. Pick up your cards as dealt; you will be ready to bid before the others.
2. When you have a poor hand signal by immediately saying: "Who has this?"
3. If you get a poor partner, keep score yourself; you've got to have some advantage.
4. Lead from your own hand or from dummy, as convenient.
5. Never hurry. Try several cards on a trick until you are sure which one you prefer to leave on it.
6. Occasionally ask what is trump suit. It will show you are interested in the game.
7. Trump your partner's ace and clinch the trick.
8. Walk around the table when you are dummy and look at the other hands. Tell them what cards are good and how many tricks they can take if they play right.
9. Always ask your partner why he doesn't return your lead. This will remind him to lead it the next time.
10. Don't try to remember rules. It is too confusing.
11. Always explain your plays—particularly when you have been set. It shows your card knowledge.
12. Talk about other subjects during the game. It makes for good fellowship.
13. Claim all the honors. You might get away with it.
14. Eat chocolate caramels or other adhesive candy while playing. It keeps the cards from skidding.
15. After the third round lay your hand on the table and claim the remainder of the tricks. You may not have them, but it is much easier to play with the cards on the table—Ex.

Electric Cooking and Its Advantages

Economical - Clean - Fast - Convenient
Healthy

AN ELECTRIC RANGE IS ECONOMICAL BECAUSE

Food, of course, costs more than fuel. It is a well known fact that shrinkage on foods in preparation runs from ten to twenty percent. This percentage, however, is greatly reduced when the food is cooked on an ELECTRIC RANGE, which means that your food budget is lessened for the simple reason that you buy less food. Furthermore, an ELECTRIC RANGE, properly operated, works for you at the surprisingly low cost of about one cent per meal per person.

AN ELECTRIC RANGE IS CLEAN BECAUSE

There is no soot or smoke to smear your kitchen, pots and pans and other cooking utensils. No tedious scouring. Your draperies retain their original beauty longer, when you cook with ELECTRICITY, clean as sunlight. The ELECTRIC RANGE is easy to clean and equally as easy to keep clean.

AN ELECTRIC RANGE IS FAST BECAUSE

High speed surface elements give quick cooking heat, and the well insulated oven soon reaches baking temperature. Practically all the heat is conserved for cooking, very little being wasted. The ELECTRIC RANGE itself does not radiate heat.

AN ELECTRIC RANGE IS CONVENIENT BECAUSE

The antiquated pastime of "pot-watching" is totally eliminated forever. The tiresome task is efficiently and accurately handled by the Automatic Timer and Oven Heat Control without your supervision. You slip the food in the oven, set the controls, and forget it, knowing that the meat will be perfectly cooked on time, every time, at dinner time. Modern recipes call for the application of specified temperatures for certain time intervals. The ELECTRIC RANGE does this for you to the degree and minute, which means that you experience a new freedom in cooking with positive assurance of better results. The ELECTRIC RANGE can be conveniently placed in your kitchen to save unnecessary steps, and will keep your kitchen cool because of its insulated oven, centering the heat inside, where it belongs.

AN ELECTRIC RANGE IS HEALTHY BECAUSE

The full flavor of foods cooked ELECTRICALLY is retained in the food, which also applies to the vitamins, mineral salts and juices, so essential, to a properly balanced meal, as the cooking is done with very little water, thereby conserving these health-giving elements, which are lost when ordinary methods are used.

Our prices on Electric Ranges, including installation in your home, are the lowest ever offered in Alberta. We invite you to consult our Local Manager for these prices and full details of our Convenient Time Payment Plan.

EDMONTON

LOWER TELEPHONE

RATES ARE ASKED

Edmonton, Alta., March 26.—Reduction or elimination of the present re-connecting fee of \$5 was urged by H. J. Montgomery, Liberal, Wetaskiwin, when estimates for the Alberta Telephone department were before the legislature Saturday morning. A plea for lower rural rates also was made by H. Bosseberry, Liberal, Pincher Creek.

Replying to the arguments, Hon. V. W. Smith, minister of telephone, showed that it would be impossible to pare these rates. He pointed out that rural rates were only 46 per cent of the cost of providing the service.

Mr. Montgomery, in urging lower telephone rates, pointed out that on one line at Wetaskiwin where there were only four subscribers, there were 20 farmers willing to take the service if the re-connecting fee were reduced. He pointed out if these were obtained, the revenue of the line would be greatly increased even with lower rates.

Hon. Mr. Smith said it would be fallacious to figure on a reduction in rates. If the rural rate were reduced to \$1.75 it would not pay the interest on capital account.

He could not see how they could expect a reduction when they were receiving service at less than half cost.

Dr. Wood's Norway Pine Syrup

It was not a question of high rates. It was a question of the people being hard up. They could abandon the rural service altogether and be better off. It was continued because it was a valuable service to the country residents, said the minister.

The Times does commercial printing at right prices.

Contracted Bad Cold Left Awful Cough

Mrs. Elmer Patterson, R.R. 2, Pictou, N.S., writes: "I contracted a bad cold that left me with an awful cough. For nights I never put my head on a pillow, and was often afraid I would choke to death. I had tried all sorts of medicine and was in despair until a friend advised me to get Dr. Wood's Norway Pine Syrup, which I did; and I had only taken a few doses when I got some relief, and after taking three bottles my cough had entirely disappeared." Price 35c a bottle; large family size 65c, at all drug and general stores; put up only by The T. Milburn Co., Ltd., Toronto, Ont.

“What’s Jones So Puffed Up About?”

IT’S an old, old story, mates...
a few months ago Jones was
one of that short-sighted group
that figured “Advertising just a
waste of money.” His business
went from bad to worse until,
in desperation, he decided to
“TRY IT JUST ONCE!”

THE RESULTS were so gratifying
that he’s been advertising consistently
ever since. . . NO WONDER HE’S
SMILING AND CONTENT NOW!

MORAL---
“He profits most
who advertises
regularly!”

Canadian Medical Association

GRANT FLEMING, M.D., ASSOCIATE SECRETARY

HEART DISEASE

Heart disease is now the chief cause of death. In older persons, it frequently represents the final wearing out of an essential organ. Heart disease is, however, prevalent among young persons, and it is a serious condition in that it cripples the individual, to a greater or less extent, during what should be his most useful years of life.

Heart disease of children and young people is very often due to an infection of the heart during rheumatic fever. Rheumatic fever may occur in young people, without painful joints, and yet, at the same time, damage the heart. So it is that there are many individuals with damaged hearts, due to rheumatic fever, who never knew that they had the disease.

It is because of such possibilities that parents should regard seriously the sore throat, growing pains, feverishness, or even the state of just not feeling well, of their young children. We do not suggest that they should be fussy or become unreasonably alarmed, but merely consider such conditions seriously in the sense of finding the cause.

It is obvious that if damage to the heart is to be prevented, the condition must, first of all, be recognized and then properly treated. We have learned that long periods of rest are essential. As rest is the basis of all treatment in tuberculosis, so is it the foundation to prevent or to minimize heart conditions growing out of rheumatic fever.

The most important point in connection with heart disease in adult life is that it is detected in its early stages. Those individuals who make it a practice to have a periodic health examination will have any abnormal heart condition discovered in good time. Otherwise, its detection depends upon some individual's going to his doctor when there is any sense

of a lack of his usual well-being. It must be understood that, in the early stages of heart disease, the symptoms may be very slight.

In general, when heart disease has developed, the first thing to be done is to give the heart a rest and allow it to regain its strength. This means complete rest in bed, and it can be said that there is no medicine which takes the place of rest. Medicine is useful in its proper place, but it is secondary to rest.

The next point is that persons who have developed heart disease must regulate their future lives to the capacity of their hearts. This is not an easy thing to do for the mother of young children or the man who earns his living by manual labor. There is, however, no known means whereby the heart can be protected from further breakdowns other than by not calling upon it to do more than it is capable of doing in its damaged condition.

Questions concerning health, addressed to the Canadian Medical Association, 184 College Street, Toronto, will be answered personally by letter.

Mrs. Mary Morris and Mildred, of Edmonton, are spending their Easter vacation at the home of Mr. and Mrs. H. N. Scott.

All are cordially invited to attend Thursday's party in Pinyon's hall on April 8th. Buffet lunch, snappy and up-to-date music, Evening's entertainment and lunch 50c each.

A concert in aid of the Millet School Fair will be held on May 13th, in Pinyon's hall. Watch for the bills. Mrs. Jake Van Alstine and Gladys Van Alstine are Calgary, are visiting this week at the home of Mrs. Lloyd Wolfe.

ST. NORBERT'S CHURCH
Holy Mass will be celebrated in Millet on April 3rd at 11 a.m.
Rev. Fr. Pat McQuaid, Parish Priest.

MILLET UNITED CHURCH
Services will be held at the following places on April 3rd:
Pinestone, 11 a.m.; Bonnie Glen, 3 p.m.; Millet, 7:30 p.m. Millet Sunday school at 11 a.m.

Rev. H. G. Smith, Pastor.

HILLSIDE

Mr. J. Terry, the R.O.P. dairy dealer in the district last week.

The Junior U.F.A. held their March meeting in the schoolhouse on Saturday evening the 10th. After the business part of the program a debate, "Resolved that the Jersey is a more profitable cow than the Shorthorn," took place. The affirmative was upheld by Miss Heslop, Jas. Hoskins, W. Heslop, N. Heslop and Ronald Hoskins. The negative was handled by W. Charley, Jas. Ambrose, Charlie Robinson, W. May and W. Runtz. The judges were Messrs. J. O. Harvey, Chas. Dowdell and J. Terry, who gave their decision in favor of the affirmative. There was a number of senior members present and a few visitors, who greatly enjoyed this "hot" lunch. Lunch was served at the close of the entertainment.

Miss E. M. Howes of Gwynne, and Miss Esther of Edmonton, are spending the Easter holidays at their home "Willow Farm."

Mrs. Barbara Marr of Anthony school, is spending the holidays with her parents, Mr. and Mrs. W. L. Marr.

Mrs. Lella Marr of Sunnybrook, is spending the Easter holidays under the parental roof.

The U.F.W.A. are meeting at the home of Mrs. H. G. Young April 7th. Mrs. Hoskins spent Easter with his grandparents in Edmonton.

MILLET LOCAL NEWS

Mrs. Gordon Pettigrew spent the weekend in Wetaskiwin.

Mrs. C. A. Kent, Adrian and Irene are visiting in Edmonton for a few days.

Miss M. E. Newsham is spending the Easter holidays at her home in Castor.

Mr. and Mrs. Lloyd Wolfe spent Good Friday with relatives in Edmonton.

A number of Millets motored to Wetaskiwin Friday evening and took in the show.

C. A. Kent and Good Friday in Calgary, the guest of his brother-in-law, Geo. Downey.

Ernest Dufva received a live milk for his farm, from Courtwright, Ont., last week.

Walden Smith, who is attending Alberta College, Edmonton, is home for the Easter holidays.

We are sorry to report that Shorty Burns received word last week of the death of his father at Millburn, Ont.

We are sorry to report that Mrs. Mary Kinchella has been confined to her bed for the past week with the flu.

Mr. and Mrs. Charlie Brinker entertained a family party of about twenty-five at dinner on Easter Sunday.

Mrs. Ruth Simpson and Leola Pendleton spent Good Friday at the home of Mr. and Mrs. Collicutt in Wetaskiwin.

Miss Josephine Inglis accompanied Mrs. Neil and Cecil to Edmonton on Easter Sunday, where they spent the day with friends.

Walden Smith and Clayton Carney returned to Edmonton on Tuesday after spending Easter vacation with their parents in the village.

Mr. and Mrs. V. E. Thompson of Larch Tree, and Mrs. Frank Darby of Edmonton, were visitors at the home of Mrs. Kent on Monday.

W. Duchuk, who has been C. P. R. section foreman on the section running south from Millet, has been transferred to the north section.

Mr. and Mrs. Ernest Anderson and Ronald of Port Saskatchewan, are spending the week with Mrs. Anderson's parents, Mr. and Mrs. Goins.

Mrs. Roy Lambert spent a few days last week at the home of her parents, Mr. and Mrs. Ed. Pogue and other friends in and near the village.

The next monthly meeting of the Ladies' Aid of the United Church will be held on April 5th at the home of Mrs. Dowler. Mesdames Dowler and Easterbrook joint hostesses.

Everyone will be pleased to hear that the Scouts' ball team dance on Monday night was a huge success in every way. The boys would like to take this opportunity of expressing their thanks to all kind friends who helped to make the dance so enjoyable.

What might have been a very serious accident occurred at Vic's Garage last Saturday evening, when little Stanley Thora was knocked down by a car driven by Mr. Bennett of Edmonton. Dr. Simpson was called at once, where upon examination it was found necessary to take three stitches in Stanley's face and apply dressing to his minor bruises.

The School Fair Association held their annual meeting the other afternoon, when it was decided to hold another fair this year. It was stated there were some twelve schools taking part again this year, which should mean a very successful fair, as the judging can be finished in lots of time to enable everyone to see the exhibits before they are removed.

A number of friends and relatives gathered at the home of Mr. and Mrs. Pogue, Sr., on Easter Sunday, where a pleasant social hour was spent around the supper table. Those present were Mr. and Mrs. W. Woods and Marjorie, Mr. and Mrs. Long, Mr. and Mrs. Wolfe, Alva and Tommy, Mr. Roy Campbell of Edmonton, Mrs. R. E. Lambert and Edna of Leduc, Mrs. Hickey, Miss Sault, and Messrs. Bobby and Wilfred of Leduc.

MILLET WOMEN'S INSTITUTE

The Women's Institute wish to thank all who so generously helped to make their recent sewing sale in aid of the Canadian National Institute for the Blind so successful. Attractive tables were presided over by Mesdames Arnold, Phillips, Nelson, Lloyd Marr and Miss Phillips, while the dainty tea tables were waited on by Mesdames Dowler, Stanley and the Misses Wright and Myers. The silk cushion donated by Mrs. Phillips went to Mr. F. Higginson, while the cake donated by Mrs. H. Arnold went to Mrs. F. Munsey of West Liberty. A handsome rug was donated by Mrs. Mary Kinchella. The ladies of the institute wish to thank all those who assisted in making the sale a success.

Bob Van Volkenburg, who returned from Norbuck a couple of weeks ago, is still on the sick list.

Bobby Hickey of Leduc, is visiting at the home of his aunt and uncle Mr. and Mrs. Ed. Pogue.

Mrs. Elsie Smith of Hardisty teaching staff, was a Millet visitor on Thursday of last week.

Mr. and Mrs. Van Alstine of Wetaskiwin, spent the weekend with Mr. and Mrs. Lloyd Wolfe and family.

Sixty-four members of the United Sunday school took part in the Easter program on Sunday. A number of prizes were given out to various members for attendance and memory work.

"So you enjoy seeing your son play baseball?" "Yes," answered Farmer Courtasall, "if he ever gets into the habit of working that hard, maybe we'll make the farm pay yet."

IMPORTANT BROADCAST

You are invited to tune in CFCJ 434.5 metres, 630 kilocycles, power 500 watts, The Calgary Albertan Broadcasting Station, on Sunday, from 10:30 to 10:45 a.m. Watch Tower program by electrical transcription.

Estate of J. Miller, Deceased

Administrators of the Estate of J. Miller, Owners.

MILLET LOCAL NEWS

Albert Lee left on Monday for Southern Alberta on a business trip.

Mr. and Mrs. F. Facey and Miss Pansom spent the weekend in Edmonton.

Mr. and Mrs. Long entertained a few guests at their home on Tuesday evening last.

Messrs. Fred and George Easterbrook are home again after spending the winter at Buck Lake.

Miss Edith Newhouse of Edmonton, spent Good Friday with her sister, Mrs. Robert Cohen.

Miss Bertha Kubiček of Medicine Hat, was the guest of Miss Rose Kubiček during Easter week.

Misses Lolita and Jean Foster are spending the Easter holidays at their home in Fort Saskatchewan.

Mr. and Mrs. Fred Dowler and family of Pigeon Lake, spent Good Friday with Mr. Dowler's mother, Mrs. Dowler.

Mrs. Ruth Simpson of the U.F.A. left last weekend for Taber and Bassano, where she will spend a short time visiting her mother, Mrs. Schmidt and other relatives.

C. S. Bear took a number of the Church Boys' League members, accompanied by their leader, Miss Jaques, to Edmonton on Tuesday, where they were entertained by other members of the league in the city.

Miss Annie Smith of West Liberty, accompanied her mother, Mrs. Elsie Smith of Hardisty, to Calgary on Friday, where they will spend Easter and remain for the Teachers' Convention which will take place there this week.

Good Friday was observed as a holiday throughout the village, and Easter Sunday was an occasion for rejoicing by the village churches. Special music, prayer and sermons were indulged in at the various services.

Easter Monday brought another blizzard which lowered the temperature considerably, with light snow fall and a high wind. March is apparently getting ready to leave us like a lion, although it acted like a very fierce lamb when it arrived a month ago.

Mrs. Ed. Kinchella and Mrs. Chas. Moonen entertained about twenty ladies and children on Thursday of last week at the latter's home. The ladies spent the afternoon at the old time art of quilting, and the children at games and music. Refreshments were served by the hostesses, assisted by Biddy Kinchella.

Aches and PAINS

When you take Aspirin you are sure of two things. It's sure relief, and it's harmless. Those tablets with the Bayer cross do not hurt the heart. Take them whenever you suffer from

Headaches
Colds
Sore Throat
Rheumatism

When your head aches—from any cause—when a cold has settled in your joints, or you feel those deep-down pains of rheumatism, sciatica, or lumbago, take Aspirin and get real relief. If the package says Aspirin it is safe.

A Great War! A Great Pestilence! A Great Depression!

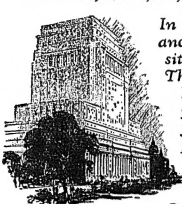

ALL within twenty years. Could there be a more gruelling test?

Yet life insurance stands invincible. During that whole period it paid every obligation promptly and fully—as it has ever since the Dominion was formed.

The Sun Life Assurance Company of Canada itself paid to policyholders and beneficiaries in cash during these periods—

The War (1914-1918)
The Flu (1919)
The Depression (1930-1931)

—over \$226,000,000. It has paid to its policyholders and beneficiaries since formation nearly \$600,000,000.

In prosperity, life insurance is valuable; in adversity it is indispensable. The protection of your home, the security of your business, the comfort of your old age, depend first on adequate life insurance.

Have you enough?

Dull Pains Around Her Heart Shortness of Breath

Mrs. H. Warren, 107 Ferguson Ave. N., Hamilton, Ont., writes: "For some time I had pains around my heart. I was so short of breath I could hardly go up stairs, and could not get any sleep at night. A friend had told me about Milburn's Heart and Nerve Pills, so I thought I would give them a trial. Well, like a different person, I can sleep soundly all night, and do all my own work now."

Sold in all drug and general stores, or mailed direct on receipt of price by The T. Milburn Co., Ltd., Toronto, Ont.

After 25 years of farming—in Canada, Australia, New Zealand and Montana—I recognize the Bradley "Armor Point" share as a great contribution to agriculture.—William T. Copland.

Mr. Farmer: You will get longer service and better plowing with this share, because it keeps its "suction" and "land".

Bill Copland says

"Armor Point" Double Life Plow Shares

You men who have had years of plowing experience know how important it is for a share to keep its shape at the point. The downward dip of the share at the point makes "suction" possible, and, of course, "suction" is positively necessary to good plowing. As you know, every good plow share is made with a set that keeps the point of the share hugging tight to the furrow wall.

But most shares are made with soft, unprotected landsides, and when used for any length of time the point will have worn away so that both "Suction" and "Land" have been destroyed.

Study the illustration below. See how Bradley "Armor Point" shares are made—with point of landside protected on under side, and also on side next to land, with a hard steel wear resisting "Armor" plate. This is a patented Bradley feature, no other share is completely armored at the point. Once you use a Bradley "Armor Point" share you will buy no other make—your share expense will be less, your plow will do better work, you will have less frequent need of sharpening, and your shares will last longer. The Bradley "Armor Point" share is one of the greatest contributions to agriculture in recent years. There are numbers to fit every make of plow.

12-inch 13-inch 14-inch 15-inch 16-inch 18-inch

2.55 2.70 2.80 3.05 3.15 3.50

When ordering, be sure to state numbers or letters on back of old share.

BORN
QUAST—On the 28th inst. in the Wetaskiwin hospital, to Mr. and Mrs. Quast, a daughter.

ADVICE FOR MEN WHO WOULD BE NOURISHED, THOUGH SINGLE
(By Barbara B. Brooks)

Once in a while it seems necessary to write a food article for men. They are so helpless about food problems. An S. O. S. from a bachelor doctor prompted this one. So we dedicate these few words to all single, meal-prepared-by-cook men.

The first bit of advice to such men is, to start looking for a wife. There must be some girl, somewhere, who was meant to sit by your fireside, sew buttons on your shirt, preside at your table and burn herself on your stoves. But, without, if you still do not choose to marry, we can offer a few further suggestions.

Avail yourself of all literature possible concerning food. It is so easy for you to dictate a letter from the office asking the various food companies for their literature and recipes. And you may be sure that all information thus obtained is good because each company is anxious that all recipes in which its products are used are accurate.

Present this material tactfully to the cook. (Watch her reaction!) Also give her a list of foods and dishes which you like and which you don't like. If you like tomatoes very well and would like to have them in various ways two or three times a week, indicate it on the list. If you like spinach very little and prefer it as seldom as possible, indicate it.

Fortified with the above knowledge, you can insist that your meals are planned according to the following specifications:

The rules for meal planning are:
Use freely of foods which are laxative, such as bran and whole cereals.

Serve two, or more, vegetables (other than potatoes) every day. Serve as many fresh vegetables and salad plants as possible.

Serve fruit at least once a day. Include plenty of milk for both drinking and cooking purposes.

Plan for the day, or for several days rather than for each separate meal. As you plan the meals think how they will look and taste when ready to serve.

It might be wise to find out if it is possible for the cook to obtain foods which you like. Is there a good grocery store near? Does she have time to do her marketing the way she should? Is your kitchen equipment adequate? Perhaps, after all, your difficulty is just a lack of understanding and co-operation which reflects itself in your meals.

CONFESSIONS OF A DEPRESSED

The editor of the Kimberley, B.C., Courier thinks a confession made by a Calgary man is too good not to pass on to fellow townsmen in Kimberley, whose "circumstances," their editor believes, fit hand in glove with those in which the Calgary find himself. The tincture of exaggeration which must have been mixed into the confession makes it all the more amusing to read, if all the less reliable to believe. The confession reads:

There seems to be so much talk about our so-called prosperity, I believe it is my duty to write my views on same and help to analyze the situation as far as possible so that we can make up our minds that we had auto change our ways of living and so forth.

I have taken my own case for instance. I see my own mistakes and many others have acted likewise. I bought a car instead of a farm and it is worn out, but the farm I figured on is still O.K. I bought a radio instead of a cow and the radio gives static instead of milk. I am feeding five hounds which answer to the names of Red, Red Wing, Slobber,

Jake and Bayrum. Instead of five pigs. I had our piano tuned instead of the well cleaned out. I spent all my cash in 1928, and used my credit in 1929 and traded up my future work on instalments in 1930, so hard times caught me in bad shape last fall. If I had spent my last ten dollars for flour and meat instead of gas and oil I would have been O.K. I built a nice garage last year instead of covering my barn and loafing in a mountain two weeks instead of being in my pasture fixing it so's my cows would not get out, but she is dry and mortgaged to boot for two blankets my wife bought from an agent instead of paying the preacher.

I am on a cash basis now, but ain't got no cash. I am tied to the end of my rope and the man I am working for is busted on account of nobody would not pay him and his wheat won't sell because nobody won't buy wheat, all the people here eat fancy cakes. I had four dollars saved up for a rainy day, but it turned dry and I spent the four dollars for inner tubes. I tried hard to make both ends meet with a turnip patch, but when I got turnips ready to sell, everybody was selling turnips for nothing and the market was glutted. I am worried plumb to the bone and my wife's kin-folk are coming over next Tuesday to spend two weeks. Write or phone if you hear of any relief from the government coming down my way. I am willing to be a Liberal or a Conservative for a few weeks if that will help any.—Winnipeg Free Press.

FOOD TO KEEP YOU FIT
Many medical men are urging housewives to build up resistance among members of the family by using items of diet which are known to combat colds and ward off infection.

The proposal for separate grading of Garret wheat will be investigated by the agricultural committee of the House of Commons and recommendations made therefrom to the Federal parliament. It is quite likely that a delay of a year in making the change will be suggested.

Milk, eggs, butter and certain fruits which all contain the anti-infective Vitamin A and whole wheat foods which impart body heat are particularly valuable.

Shredded Wheat is a striking example of a whole wheat product which can be served in many appetizing combinations with the Vitamin A foods suggested. Shredded Wheat is made entirely of Canadian whole wheat with nothing added and nothing taken away. It is inexpensive and two biscuits of it served with whole milk and fruit make a perfectly balanced meal for children or adults.
